The Constitution is not responsible for advance payments to out-of-town local carriers, dealers or agents.

Every influence that interferes with prompt action should be brushed aside by the committee. The question should be transferred to the floor of the senate, de-bated, sent to the house and referred to the

bated, sent to the bouss and referred to the president with as little delay as is consistent with securing a product of the right sort. The country looks to the senate to take a sensible view of this matter. It cannot hope to please everyone, nor to reconcile opinions at diametrical variance. Nor is sadiess time required for consideration. Official take mountain high is available, and it covers every angle of the subject. Mom-bers of both branches of congress are as the control of the control of the congress are as the control of the control of the control of the control of The main thins is action, this business.

The main thing is action, that business may be released from the bonds of uncertainty.

Cartoonist Gregg expresses elsewhere to-day the idea that is uppermost in the minds of the business men of America.

At the beginning of the extraordinary session of congress isns spring two great logislative obstacles impeded the progress of business. They were the issues of tariff revision and currency reform.

They are the settled to the first. The they great settle backs the way to the caravans of commerce.

There has been sparring and windjamming enough.

ming enough.

No legitimate pretext justifies further

As a matter of paramount and non-partieach and particular of the state of the sta

tion as long as congress does not act on the currency.

Once that doubt is removed the nation will go forward to one of the most abundant years in its history.

Congress delays the high-powered business wagon, six-cylindered and throbbing with repressed energy.

Let congress roll out of the path the obstacle of currency législation.

Give business and prospertly the signal—"In the clear!"

A BLUE PRINT PLAN.

Diamond Studded Bracelets More Fashionable Than Ever

Bracelets this year are among the most fashionable pieces of jewelry.

Some of the most exquisite jewels for this winter's wear are diamond studded bracelets in individual designs. Jewelers of the Eugene V. Haynes Company have achieved some wondrous results while planning distinctive bracelets for Atlanta patrons.

Platinum settings continue stylish as well as utilitarian. This richest of all metals perfectly displays a diamond's white beauty and at the same time is a safer guardian for the precious gem than

The Haynes store, stock and styles are new; but you know of old that it is safe and wise to trust Haynes to supply-your diamonds. The old policy continues in our new quarters. You are cordially invited to inspect the brilliant collections

Wherever Sewing Is Going On a Dress Form Is Needed

You can learn from our expert today how to use and adjust them.

A Special Demonstration

ON THE FIRST FLOOR, to the right, just as ou enter, Mr. Covert, an expert, is conducting a emonstration of the celebrated Hall-Borchert Dress

Forms.

Let him show you today, or any day this week, how they can be made the counterpart of your figure, in every line and proportion.

THE POSSESSION OF SUCH A FORM MEANS THAT:

MEANS THAT:
You can see how the dress looks at every stage
of the making, saving mistakec and waste of
time and material.
The result is entirely satisfactory without the
fatigue and disappointments consequent on
repeatedly standing for fittings. Every woman can procure a form exactly suited to her needs.

The Hall-Borchert "Perfection" Adjustable Dress Forms Are Made in Several Styles

The only forms separately adjustable in each individual part; therefore they are the only forms which insure 100 PER CENT ADJUSTABLE EFFICIENCY.
